

Flipcase has a Gallery feature, which allows you to add photos and videos to your campaigns.

### To add/edit Campaign Gallery photos and videos:

1. Click **Campaigns > Edit this Campaign** (choose a campaign). Then select the **Gallery** tab at the top.
2. Here, you can click into each section to [Add New Photos](#), Edit Photos, [Add New Video](#), or Edit Videos.
3. Hit **Save** when you're done.

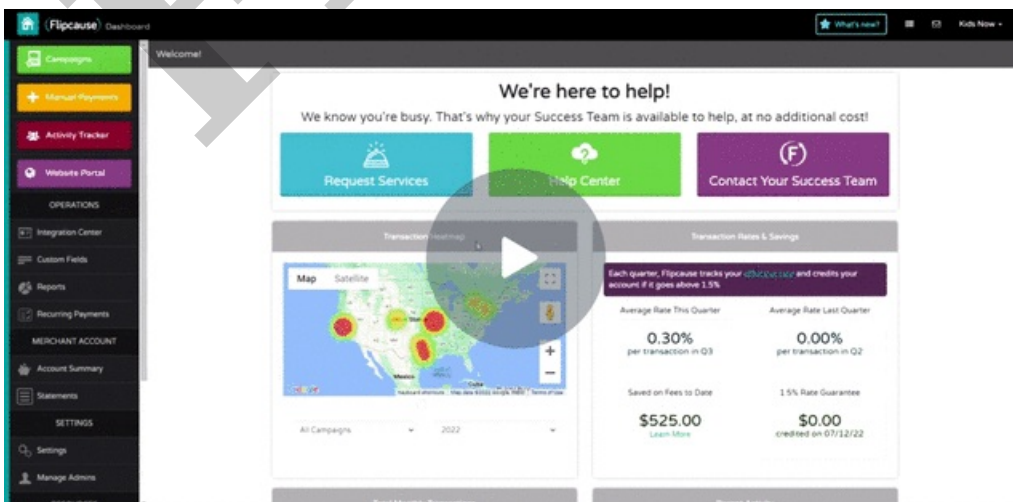

The next step after loading your media into the Gallery is to configure the Widget or Landing Page Appearance to display your photos/videos.

### Display the Gallery on a Campaign Landing Page:

1. Navigate to the **Landing Page Appearance** tab at the top of the page.
2. Click to edit the **Homepage Elements & Layouts** section.
3. Scroll to find the **Gallery** option and toggle it to "Show".
4. At this point, you can also use the arrows on the left-hand side to change the placement of the Gallery.  
Click and drag to change the order in which it appears on the campaign page.
5. Hit **Save** when you're done.

### Display the Gallery on a Campaign Widget:

1. Navigate to the **Widget Appearance** tab at the top of the page.
2. Click to edit the **Additional Pages** section.
3. Scroll down and toggle the **Gallery Page** to "Show".
4. Don't forget to hit **Save** when you're done!
