

Types of Custom Field Responses

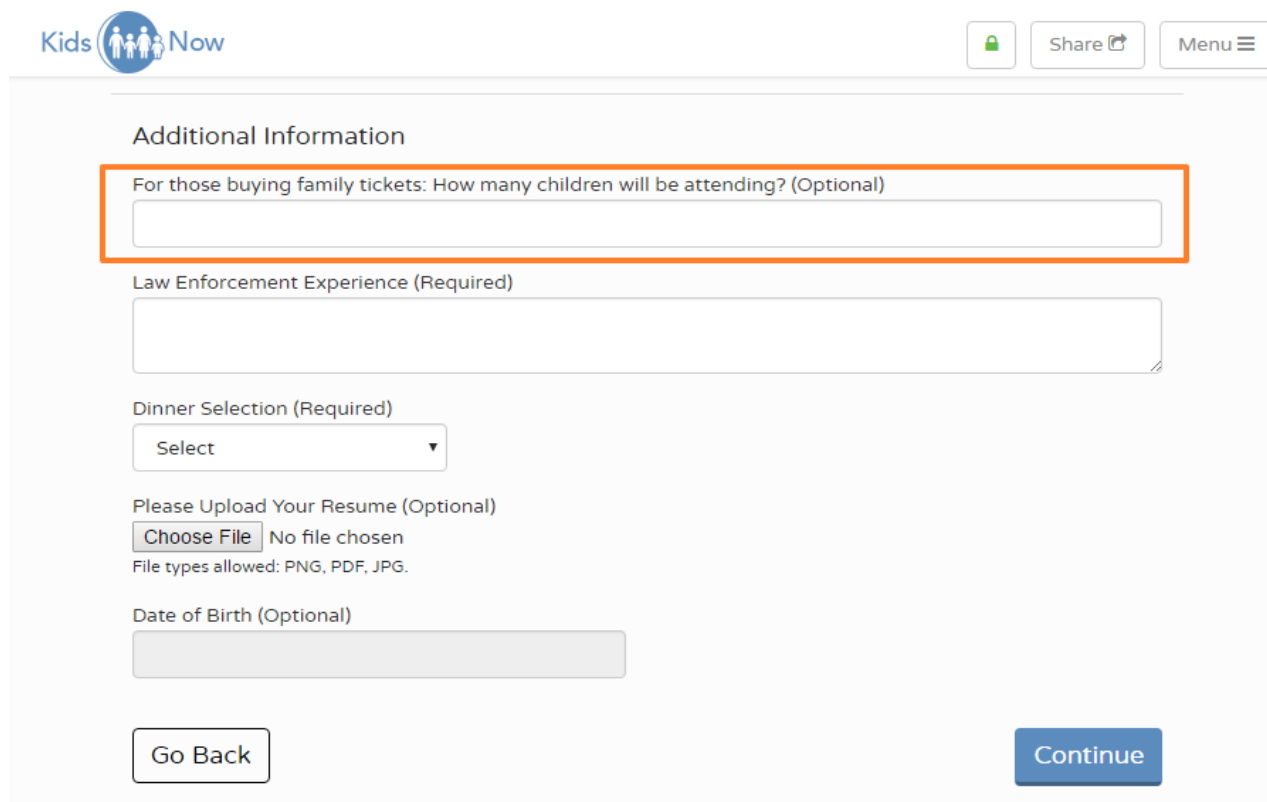

Last Modified on 09/09/2019 2:14 pm PDT

When creating a Custom Field, you will need to select the **Input Type**, which is the space where your supporter will fill out their response.

There are five Input Types:

1. Short Answer
2. Long Answer
3. Multiple Choice
4. File Upload
5. Calendar Input

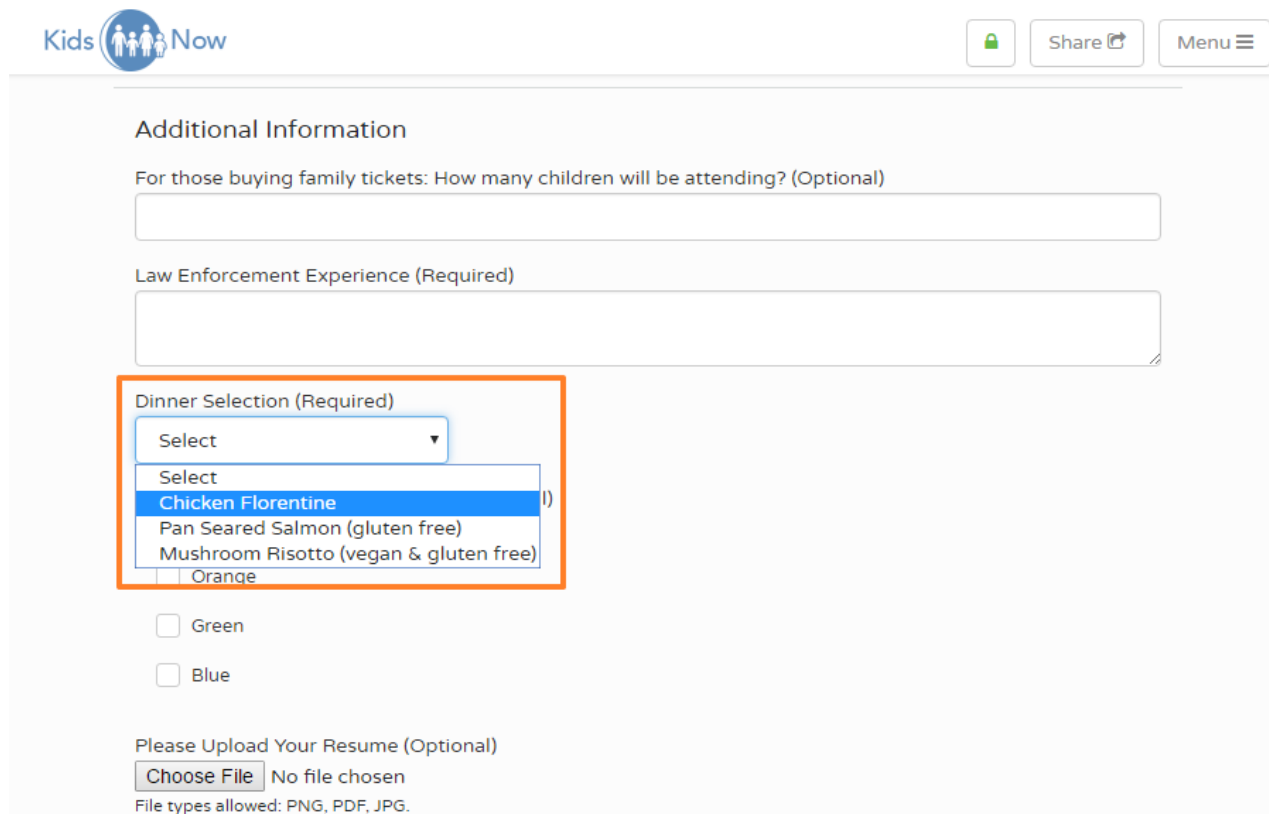

1. **Short Answer** will provide your supporter with a text box to type in their response.

The screenshot shows the 'Kids Now' registration form. At the top left is the 'Kids Now' logo. At the top right are three buttons: a lock icon, 'Share', and 'Menu'. The main form area is titled 'Additional Information'. The first field is 'For those buying family tickets: How many children will be attending? (Optional)', which is highlighted with an orange border. Below it is a 'Law Enforcement Experience (Required)' text box. Then a 'Dinner Selection (Required)' dropdown menu with 'Select' as the current option. Next is a 'Please Upload Your Resume (Optional)' section with a 'Choose File' button and the text 'No file chosen' and 'File types allowed: PNG, PDF, JPG.'. Below that is a 'Date of Birth (Optional)' text box. At the bottom left is a 'Go Back' button and at the bottom right is a blue 'Continue' button.

2. **Long Answer** will provide your supporter with a larger text box to type in their open-ended response.

3. **Multiple Choice** allows you to pre-set responses. This will create a drop-down menu where they can select their choice. You can add up to 150 multiple choice selections.

The screenshot shows the 'Additional Information' section of a form on the Kids Now platform. At the top left is the 'Kids Now' logo. On the top right are three buttons: a lock icon, a 'Share' button with a share icon, and a 'Menu' button with a hamburger icon. The form contains several fields:

- 'Additional Information' header
- 'For those buying family tickets: How many children will be attending? (Optional)' with an empty text input field.
- 'Law Enforcement Experience (Required)' with an empty text input field.
- 'Dinner Selection (Required)' with a dropdown menu. The dropdown is open, showing options: 'Select', 'Chicken Florentine' (highlighted in blue), 'Pan Seared Salmon (gluten free)', 'Mushroom Risotto (vegan & gluten free)', and 'Orange'. The entire dropdown menu is enclosed in an orange rectangular box.
- Below the dropdown are two radio button options: 'Green' and 'Blue'.
- 'Please Upload Your Resume (Optional)' with a 'Choose File' button and the text 'No file chosen'.
- At the bottom, it says 'File types allowed: PNG, PDF, JPG.'

You can also give your supporters the option to select more than one pre-defined response, and this will instead create a list of checkboxes. They can check as many of these as are available.

Additional Information

For those buying family tickets: How many children will be attending? (Optional)

Law Enforcement Experience (Required)

Dinner Selection (Required)

Please select your favorite color(s) (Optional)

- Red
- Orange
- Green
- Blue

Please Upload Your Resume (Optional)

No file chosen

File types allowed: PNG, PDF, JPG.

4. If you would like to collect a file digitally; such as a signed form, a copy of an ID, or a business logo; you can use the **File Upload** option to collect that information. (Files uploaded are accessible in your reports as links which will initiate a download of the file when clicked on).

Additional Information

For those buying family tickets: How many children will be attending? (Optional)
