

Help Center Date in Your Online Store

To set an estimated delivery date in your Online Store:

1. Go to **Campaigns > Edit This Campaign** (choose a campaign) > **Manage Settings** (Online Store) > **Published Items > Edit** for the items to which you'd like to set an estimated delivery date.
2. Scroll down to **Item Types**, **Open** the item type, toggle **Estimated Delivery Date** to "Show" and fill in the text box.
3. Click **Publish Item** to save changes.
