

If you're planning to start a campaign but need assistance in creating one, let our Success Team help you out in creating superb campaigns that perfectly suit your needs. Feel free to explore our wide range of tools you can utilize below.

### Donation Tool

You can refer to this [overview](#) to explore our Donation Tool. Here's an [example](#) of a donation campaign embedded on a website.

To have your Success Team create a donation campaign for you, simply provide the following:

- Campaign description and any additional instructions.
- Donation amounts and/or any information you would like to collect from your supporters.
- Texts, videos, and images you want to be included.

### Events & Registrations Tool

Watch this [overview](#) to learn more about our Events & Registrations Tool. You can also check out [these few examples](#) of how organizations use the registration tool.

To create a registration campaign, please provide the following:

- Campaign description and any additional instructions.
- Registration or ticket prices and/or any information you would like to collect from your supporters.
- Texts, videos, and images you want to be included.

### Volunteer Tool

To give you an in-depth guide on the Volunteer tool, check out this [overview](#). You can also check out [this sample](#) of a volunteer campaign embedded on a website.

To have your Success Team create a volunteer campaign for you, kindly provide the following:

- Volunteer description and any additional instructions.
- Available shifts and hours, waiver, and/or any information you would like to collect from your supporters.
- Texts, videos, and images you want to be included.

Kindly refer to this [overview](#) for details about our Online Store Tool. To give you an idea of how it works, here are a few samples:

- [Shop](#)
- [Gift Shop](#)

To have your Success Team create a new online store campaign for you, simply provide the following:

- Campaign description and any additional instructions.
- Item prices and/or any information you would like to collect from your supporters.
- Texts, videos, and images you want to be included.

### Sponsorship Tool

You can check out this [Sponsorship Tool overview](#) for more information. Also, here's a [sample](#) of a sponsorship campaign.

We also recommend checking out our blog for resources or tips on creating sponsorships. Here's an [article](#) with some great advice.

To have your Success Team create a sponsorship campaign for you, please provide the following information:

- Campaign description and any additional instructions.
- Sponsorship amounts and/or any information you would like to collect from your supporters.
- Texts, videos, and images you want to be included.

### Peer-to-Peer Tool

Feel free to refer to this [Peer-to-Peer Tool overview](#) to learn more about it. You can also check out these [few resources](#) to help you craft your campaign.

To have your Success Team create a peer-to-peer campaign for you, kindly provide the following information:

- Campaign description, list of the individual students, their email addresses, and the associated teams.
- Donation amounts and/or any information you would like to collect from your supporters.
- Texts, videos, and images you want to be included.
